**STATEMENT OF THE SUBSTANCE**  
**OF THE INTERVIEW DATED JUNE 6, 2005**

Examiner Wayne Langel and Applicants' attorney met in a face-to-face interview on June 6, 2005, and discussed Applicants' proposed amendments to the claims and why they distinguish over Zhou et al. (U.S. Patent No. 6,168,775) and Zhou et al. (6,534,661). Among other things, Applicants pointed out where the cited art fails to teach or suggest every feature recited in the amended claims, either expressly or inherently. Applicants' attorney also explained that a Supplemental IDS would be filed to submit newly discovered art given to us by a third party.

Dated this 20<sup>th</sup> day of July 2005.

Respectfully submitted,

*R. M. A.*
